

## Literature Committee Chair

The literature committee chair is one of the most fascinating positions at Area Assembly. The chair is responsible for recruiting an alternate chair, getting and returning the literature display from archives in Baton Rouge, bringing the display to all area assemblies and the state convention. Once you get the display where it needs to go, you set it up and man it during the function. You will sell, at cost, conference approved books, pamphlets, service manuals and other literature. A literature report is prepared and delivered on Sunday morning. You will be responsible for submitting a budget to B&F no later than October 15, taking inventory and placing literature orders through the alternate delegate. You will meet lots of new people and answer many questions about the wide array of conference approved literature that helps carry the message to the alcoholic who still suffers.
